

# OPERATION KID SAFE

## KALAMAZOO ORTHODONTICS CARNIVAL EDITION

Operation Kid Safe is a digital fingerprint & photo safety program with specialized digital imagery equipment that will be offered at Kalamazoo Orthodontics for a limited time! Dr. Bowman is passionate about kid's safety and wants you to have the opportunity to come and get your free safety kit, including digital fingerprint photo's & more.

Join us for a carnival in our parking lot featuring a 70' Obstacle Course and tons of carnival games for the whole family!
